Woodcarving	1 st	Possible	\$10-15	Handicraft / Arts

Horsemanship: Each youth participating at Woodruff has, included in their camp fee, one offsite activity. That offsite activity could be either Whitewater Rafting or Horsemanship Merit Badge. Any youth that desires an additional offsite activity will pay a \$35.00 additional fee. All adult leaders participating in the horsemanship merit badge offsite activity and riding a horse, will pay a \$35.00 fee. There is no fee for adults that are observing only.

Fees for Whitewater (\$15) and Horsemanship (\$35, if applicable) should be paid directly to camp, included with the scout's regular camp fees.

Whitewater MB participants must have completed either Canoeing MB or earned the Kayaking BSA award BEFORE taking this merit badge.

Costs for the Handicraft merit badges represents the average cost for projects that must be completed to obtain the merit badge. All supplies can be obtained at the camp trading post. Costs can vary, depending on the specific project that the scout selects. Costs for photography merit badge include picture development.
